Does this provide enough information to get started doing SSSRs on the sites/facilities (with the exception of Fort Polk & Peason Ridge and LaPort Air NGS) ?

Phillip,

We do not have anymore input to the questions in the attachment. In the body of Laurie's message she checked on the current status of each RCRA federal facility they asked about, see below.

Subject quick follow-up 

Hi All,

Below is the list of the yellowed sites that we did not have a SSSR on file for. We have committed to GAO to have SSSRs for these site by July 18, 2008, would it possible to get a paragraph for each of these sites regarding the current status of these sites by June 11, 2008.

Most information already provided in the RCRAInfo printouts provided to GAO, but here's a summary. Two sites we will have to do further investigation with the State unless ID numbers are wrong.

Altus AFB - **EPA Order under RCRA for corrective action (1996)**

Bergstrom AFB - **State RCRA for corrective action, 100% transferred to City of Austin for commercial airport**

Camp Bullis - **see attached for State ID numbers for Camp Bullis, no info under TX0214020133**

Corpus Christi NAS - **State RCRA, storage**

Dallas Naval Weapons Ind. Res. Plt. - **State RCRA, corrective action (Navy owned, Vought operates, Navy doing cleanup) see attached.**

Fort Bliss Air Defense Center - **State RCRA, storage**

Fort Hood - **State RCRA, storage**

Fort Polk & Peason Ridge - **no info under LA5214020716**

Holloman AFB - **State RCRA, storage**

Kirtland AFB - **State RCRA, storage**

LaPorte Air National Guard Station - **no info under TX0211899935**

Laughlin AFB - **State RCRA, storage**
McAlester Army Ammunition Plant - **State RCRA, storage, open
burning/open detonation**
McGregor Naval Weapons - **State RCRA, corrective action**
New Orleans NAS - **State RCRA, large quantity generator**
Pine Bluff Arsenal - **State RCRA, incinerator, land disposal, storage**
Reese AFB - **State RCRA, large quantity generator**
